

LINA M. GOLDBERG
Design Professional

377 Meadvale Road Memphis, Tennessee 38120 | (317) 507-7042 | linagoldbergdesign@gmail.com

Skillful, goal-driven, and creative design professional with four years experience in architecture and interior design. I have practiced a variety of disciplines including commercial, hospitality, retail, corporate, and institutional design. My work is mainly focused on space planning, documentation, presentation materials, and FF&E design. Graphics have a substantial impact on my designs. I enjoy using color, creating renderings, and applying my skills both through digital media and drawing. I am passionate about design and enjoy working with clients to find solutions through drawing.

EDUCATION

University of Cincinnati, Cincinnati, Ohio
College of Design, Architecture, Art, and Planning *2002-2008*

- Master of Architecture, 2008
- Bachelor of Science in Interior Design, 2007
- Bachelor of Science in Architecture, 2006

PROFESSIONAL EXPERIENCE

Hnedak Bobo Group, Memphis, Tennessee *(2010-present)*

National architecture firm focused on hotel, gaming, entertainment, and corporate design markets.

Interior Designer/Intern Architect

- Completed design, documentation, and FF&E selections for a 250-room hotel tower and event center, an expansion of an existing casino and hotel development.
- Produced construction documents and oversaw construction for two SunTrust Bank office branch facilities. Attended onsite meetings with the general contractor and worked directly with the client throughout the design process.
- Created digital presentations, drawing documents, and material boards for several hotel and gaming projects.
- Primary responsibilities include production of digital presentations, drawing documentation, interacting with multiple vendors and sales reps, and FF&E selection and documentation.

Leers Weinzapfel Associates, Boston, Massachusetts *(2007)*

Winner 2007 AIA Architecture Firm Award. A nationally recognized architecture firm specializing in infrastructure, community, civic, and education design.

Six-Month Fulltime Architecture Co-op

- Contributed to project specific interior space planning, schematic design presentation renderings, and development of construction documents.
- Responsible for constructing models, Photoshop and Illustrator renderings, and documentation and detailing using VectorWorks 12.

Michael Schuster Associates, Cincinnati, Ohio *(2006)*

Architecture and interior design firm offering a variety of services in education, corporate, lifestyle, sport, government, and religious design.

Three-Month Fulltime Architecture Co-op

- Developed several test-fit options and schematic design packages for a corporate relocation project.

- Responsible for model building, Photoshop renderings, and planning and building analysis using AutoCad and Microsoft Excel.

FRCH Design Worldwide, Cincinnati, Ohio (2005-2006)

An international architecture and design firm serving some of the world's most recognized brands in retail, entertainment, restaurant, and hospitality markets.

Three-Month Fulltime Interior Design Co-op

- Produced a series of construction documents for Macy's brand department stores, including space planning and detail drawings.
- Traveled out of state for field surveys.

OTJ Architects, Washington, D.C. (2005)

2008 Architecture Firm of the Year by the Greater Washington Commercial Association of Realtors. Company projects encompass all facets of the commercial industry including national law firms, associations, hotels, retail stores, and medical offices.

Six-Month Fulltime Interior Design Co-op

- Worked on a variety of office interior renovation and relocation projects.
- Met with clients and contractors to discuss project material and scheduling.
- Produced drawings for various projects within schematic design, design development, and construction documentation phases.
- Responsibilities included field surveying, AutoCad drawings, creating presentation boards, and Photoshop renderings.

SKILLS AND TRAINING

- AutoCad, 12 years experience
- Moderate knowledge of Revit and VectorWorks
- Very competent in Adobe Photoshop, Illustrator, and Dreamweaver
- Spexx and FF&Ez documentation programs
- Microsoft Office applications
- Hand rendering, drafting, and sketching techniques
- Russian verbal skills
